**PATIENT INFORMATION AND AGREEMENT**

**Fees and Insurance:** If a patient has medical insurance, this office will bill the insurance carrier. Verification of insurance coverage and limits, as well as approvals for industrial injury cases are performed routinely by this office. All charges are ultimately the responsibility of the patient regardless of insurance coverage, unless, the carrier is worker's compensation. If the worker's compensation, by their determination, denies the claim the patient will then be responsible. It is the policy of High Desert Therapists, Inc, and Pacific Coast Therapists to collect co-payments, co-insurances, and deductible amounts at the time of the service. Patient that do not have insurance are required to pay in full at the time of service.

**Release of Information:** The undersigned agrees that, to the extent necessary to determine liability for payment and to obtain reimbursement, this office may disclose portions of the patient's record, including his/her medical records, to any person or corporation which is or may be liable for all or any portion of the charges, including but not limited to insurance companies, health care service plans, worker's compensation carriers, the patient's employer, health care providers and utilization review monitoring organizations.

**Financial Agreement:** The undersigned agrees, whether he/she signs as agent or as patient, that in consideration of the services to be rendered to the patient, he/she hereby individually obligates himself/herself to pay the amount of High Desert Therapists charges. Should the account be referred to an attorney or collections agency the undersigned shall pay actual attorney's fees and collection expenses. All accounts may bear interest at the legal rate.

**Appointments:** If a cancellation is necessary, an attempt will be made to schedule another appointment the same day so the recommended number of weekly appointments can be kept. Should treatments involve an industrial injury, this office is required to notify the industrial carrier of any missed appointments.

**NOTICE OF PRIVACY**

On April 14, 2003, the federal government created "Privacy Rules" that all healthcare providers must comply with in order to properly protect your health information. We want to assure you that we have taken the appropriate measure to comply with these rules, have provided training to our employees regarding these measures, and utilize computer security measures as well.

These regulations protect virtually all patients information regardless of where they live or where they receive their health care. All health information including paper records, oral communications, and electronic communications (such as email and electronic claims submission) are protected by the privacy rule. The privacy rule also provides you certain rights, such as the right to have access to your medical records. However, there are exceptions; these rights are not absolute.

The "Notice of Privacy Practices Summary" is available for you to read. It contains important information about how your confidential health information is handled by our office. It also describes how you can exercise your rights with regard to your protected health information.

Please let us know if you have any questions about this notice. You may contact our office during all working hours; 775-883-4161 (Nevada) or 831-786-9000 (California)

**ATTENDANCE EXPECTATIONS AND CANCELLATION POLICY**

**It is our mission to provide you with the highest quality of care.**

We strive to meet or exceed your expectations in every area of service we provide for you. We will work diligently to help you regain your desired level of function by providing you excellent patient care, submission of your claims to your insurance company in a timely fashion, and provide you with convenient appointment times.

In return, we ask that you be committed and consistent with your therapy appointments and compliant with your home program. It is in your best interest to work cooperatively with your therapist in hopes of achieving your goals. We understand that situations arise that may cause you to miss a scheduled therapy appointment, but we ask for consistent communications and ask that you agree to the following policies:

Patient Initials:

\_\_\_\_\_ If you must cancel an appointment, you will provide us with at least a 24 hour notice so that we may have time to fill the vacancy.

\_\_\_\_\_ You will be subject to a \$25 fee if you fail to show for your appointment without calling or providing us with less than a 24 hour notice.

\_\_\_\_\_ If you fail to show for your appointment without calling, or fail to provide us with a 24 hour notice for 2 appointments, you will be placed on a "same day schedule" status. This means that you will not be allowed to schedule future appointments, but you may call on the same day that you know you will be able to attend therapy and we will do everything we can to provide you with an appointment that day.
